Ticket Insurance - Why TicketPlan powered by APRIL USA?

TicketPlan

TicketPlan was established in 1999 and underwrites and administers a broad range of protection products that are associated specifically with the ticketing sector.

TicketPlan is widely regarded as the market leader in terms of providing Ticket Refund and Cancellation Protection and Insurance in the UK and increasingly across Continental Europe.

The brand is recognized internationally as a sign of quality, security and service.

TicketPlan currently works with over 35 of the world's leading ticketing companies within the performing arts, events, leisure, travel and sports sectors.

APRIL

APRIL USA, headquartered in Miami, FL, is part of France's APRIL Group, a leading insurance provider in travel and other specialty insurance programs for 30 years in Europe and Latin America.

APRIL has a presence in 31 countries and over 2 million policyholders worldwide. APRIL is well-regarded and is also a publicly traded company on Euronext Paris.

April's relationship with TicketPlan is symbiotic. TicketPlan brings almost 20 years' experience of insuring tickets across the UK and Europe, and April has the experience of operating in the United States and almost 30 years' within niche and specialty insurance markets.

TicketPlan is powered by APRIL USA in the United States. April provides the underwriting capacity, the regulatory and legal expertise, and the ability to distribute ticket insurance products across the entire United States.
